Members of the public wishing to join the meeting will be required to comply with any COVID-19 restrictions applying to both public gatherings and in place at the venue at the time. Members of the public wishing to join remotely should advise the Clerk by email, in order that arrangements for meeting access may be made. Your early advice to join remotely is greatly appreciated because as there is no broadband and poor phone facility at the Hall Community Councillors would need to be contacted to also attend remotely rather than meeting at the hall.
